

NON-DISCRIMINATION POLICY

The AAACE International Certification Program is committed to a policy of equal examination opportunity, as specified in each examination eligibility requirements policy, and does not discriminate any examination application or certification on the basis of race, age, color, sex, national origin, physical or mental disability, or religion. Any examination candidate or recertification applicant who believes they have been discriminated against is strongly encouraged to report this concern promptly to the [Certification Board Chairperson](#).

Special Accommodations: For candidates with a medical condition requiring accommodations other than the standard testing accommodations, a written request must be made after making application and payment for a certification examination. For more information, please review our [Request for Reasonable Accommodations policy](#) or complete the form by clicking [here](#).
