The Right Partner
The Right Solution

Membership in AACE International helps your employees stay informed about the complexities of the total cost management profession - plus gain knowledge, find access to networks, and obtain resources that help them solve complex problems they might face within their department.

AACE’s Corporate Membership identifies your company as a leader in the industry - a company that is committed to professional staff development.

By joining this discounted membership program, your employees will receive all of the same membership benefits as other AACE members - **but you keep the savings!**

**AACE Membership Benefits:**
- **Cost Engineering Journal & Source** - AACE’s bimonthly publications
- **AACEnews** - AACE’s monthly electronic newsletter
- **TCM Today** - a series of professional development webinars

**Discounted fees for:**
- Conference & Expo registration - 100+ hours of presentations showcasing the best and most current tools and techniques used in industry today covering a wide range of programs
- Continuing Education Seminars - a collection of education seminars held before and after the Conference & Expo
- Certification & Recertification - a portfolio of 8 distinct certifications for technician, professional, and expertise levels
- AACE’s Online Learning Center - a series of professional development presentations featuring some of the most popular presentations and presenters from past Conference & Expo

**Member-only access to:**
- The TCM Framework: An Integrated Approach to Portfolio, Program and Project Management is a structured, annotated process map that for the first time explains each practice area of the cost engineering field in the context of its relationship to the other practice areas
- AACE’s Recommended Practices - a series of documents that contain valuable reference information that are the main technical foundation of our educational and certification products and services
- AACE’s Virtual Library - a collection of over 6,000 technical articles on virtually every aspect of total cost management

**The membership requirements to apply are:**
- A designated representative responsible for coordinating the company’s membership roster with our Membership Services Coordinator
- A minimum of 10 members for a base rate of $1,900.00 ($250.00 discount)
  - Additional members at $190.00 each ($25.00 discount)
  - Prorated quarterly rate for additional members added later in the year
- Standing listing in *Source* magazine, AACE’s bimonthly periodical distributed to over 50,000 professionals worldwide

**AACE International** is a 501(c)(3) non-profit professional association. Since 1956, AACE has provided its members with the resources they need to enhance their performance and ensure continued growth and success. With over 8,500 members world-wide, AACE serves total cost management professionals working in project controls, project management, estimating, risk management, and claims. AACE has members in 100 countries and over 80 local sections.

**AACE has been certifying individuals since 1976. AACE offers the following certifications:**
- Certified Cost Professional (CCP), Certified Estimating Professional (CEP), Certified Forensic Claims Consultant (CFCC), Decision & Risk Management Professional (DRMP), Earned Value Professional (EVP), and Planning & Scheduling Professional (PSP), and technician-level certifications. Certified Cost Technician (CCT) and Certified Scheduling Technician (CST). AACE is a member of the Board of the Council of Engineering and Scientific Special Boards (CESB). AACE’s CCP, CCT, CEP, CST, EVP, and PSP certification programs are fully accredited by the CESB.
