1956

TOTAL COST MANAGEMENT

AACE has been serving the total cost management community since 1956.

AACE International will enhance your skills and knowledge to improve the predictability of cost and schedule performance across the entire life cycle of your assets, programs, and projects. We provide technical guidance, educational products, events and eight professional certification to address the diverse need of members and customer.

Our members work in a variety of areas including project/program management, estimating, planning and scheduling, cost engineering, decision and risk management, earned value and claims and disputes.

WHAT OUR MEMBERS HAD TO SAY...

"It was great to visit with our members that have applied their expertise and provided awesome technical papers, articles, and other publications as well as providing educational programs and inspiration to other members and potential members."

AACE International's Conference & Expo brings together the industry's leading cost professionals in a forum focused on learning, sharing, and networking. Over 100 hours of technical presentations will challenge you to better manage, plan, schedule, and implement technology for more effective and efficient business practices.

The 2022 Conference & Expo is currently being planned to be held in person from June 26-28 at the San Antonio Marriott Rivercenter.

There will be numerous social and networking events, technical sessions, CEU learning opportunities, and much more!

We can't wait to see you in San Antonio!
