

## 2019 Certification Progress Report

The Certification Program conducted 587 examinations and certified 266 individuals by December 31, 2019.

The table listed below is our Certification Program Report for 2019, as presented to our accreditation body, The Council of Engineering and Scientific Specialty Boards (CESB):

	Registrations	Examinations	Certified	Recertified	Active	Inactive	Emeritus
<b>CCP</b>	128	106	61	400	1,702	1,901	45
<b>CCT</b>	94	97	45	n/a	191	798	n/a
<b>CEP</b>	113	85	33	56	333	122	4
<b>CFCC</b>	8	2	1	31	67	28	1
<b>CST</b>	54	53	34	n/a	130	63	n/a
<b>DRMP</b>	5	3	0	6	16	6	2
<b>EVP</b>	58	47	13	106	429	307	12
<b>PSP</b>	205	194	79	259	1,270	694	9
<b>TOTAL:</b>	<b>665</b>	<b>587</b>	<b>266</b>	<b>858</b>	<b>4,138</b>	<b>3,919</b>	<b>73</b>

The program experienced an 8-week suspension due to transition issues related to a new computer-based testing provider. The issues proved to be unresolvable, resulting in the program's return to Kryterion, who had made significant changes to ensure improved system stability.
