RECERTIFICATION OVERVIEW

Why Get Recertified?

Recertification is necessary to verify continuing competency in the certification's body of knowledge.

**Recertification applies to the following
AACE certifications:**

• CCP • CEP • CFCC • DRMP • EVP • PSP • PRMP

CCT and CST certifications are not renewable

Please read this handbook in its entirety and keep it for future reference. It is important to retain a copy of all supporting documentation should your application be randomly selected for audit.

RECERTIFICATION OVERVIEW

Recertification Options

RECERTIFICATION BY ACTIVITY

RECERTIFICATION BY EXAMINATION

Active certificants may choose from two options to maintain their AACE certification for an additional 3-year term.

THIS OPTION IS A SYSTEM OF ACCUMULATING 12 CEUS FROM FOUR CATEGORIES DURING A 3-YEAR CERTIFICATION PERIOD.

THIS OPTION REQUIRES A CERTIFICANT TO TAKE AND PASS THE EXAM AGAIN PRIOR TO THEIR CURRENT EXPIRATION DATE.

RECERTIFICATION OVERVIEW

Recertification Grace Period

All certifications not renewed by the end date are automatically placed in a 6-month grace period.

For individuals opting for recertification through CEUs, the grace period serves as a courtesy, providing extra time to finalize and submit their applications. The grace period is not designed for certificants to acquire additional CEUs.

Only valid CEUs earned within the certification evaluation period (the three years since certification) are accepted. The application system restricts the submission of CEUs for dates outside the certificant's certification evaluation period.

If recertification has not been achieved by the end of the grace period (expiration date), the certification is immediately decertified and not eligible for further extension.

TIPS FOR RECERTIFICATION

STEP 1 LOG IN TO YOUR AACE PROFILE

[AACE's Recertification Guide](#) provides step-by-step instructions for completing your application. To get started, log in to your profile and select **"Apply"** or **"View Recertification by CEUs Application"** under the **Your Certifications** menu options.

STEP 2 TRACK YOUR ACTIVITIES

- Reminder: You must provide verification documentation of all activities claimed if you are selected for audit.
- For additional audit documentation information, review [AACE's Audit Documentation Guide](#).

STEP 3 ENTER YOUR ACTIVITIES

From the day your certification evaluation period starts, you can begin adding activities into your recertification application. This approach can help you manage and track your activities throughout your three-year evaluation period and save you time.

STEP 4 SUBMIT

You may submit your application once you have met the minimum CEU requirement and are within 6 months of your expiration date. Upon payment, applications will be processed in the order in which they are received.

SELECTED FOR AUDIT?

If your recertification application, or any activity claimed is selected for audit, you will receive an email with instructions for submitting the required documentation.

APPROVED!

Upon successful recertification, you will receive an approval email and may access your virtual certificate by logging in to your AACE profile and selecting **"Download Certification"** under the **Your Certifications** menu.

Note: There is no guarantee of approval; please make sure your activity meets the requirements of the program.

RECERTIFICATION BY EXAMINATION

Overview

To maintain AACE certification, certificants must recertify every three years.

If you are currently certified, and have not accumulated sufficient CEUs to recertify, Recertification by Examination is an option.

The certificant is given one opportunity to pass the examination in order to recertify their active certification for three additional years. There is no opportunity for a resit.

CURRENT RECERTIFICATION BY EXAMINATION FEE STRUCTURE

CERTIFICATION	MEMBER	NON-MEMBER
CCP	US\$525	US\$690
CEP	US\$525	US\$690
CFCC	US\$650	US\$765
DRMP	US\$650	US\$765
EVP	US\$525	US\$690
PSP	US\$525	US\$690
PRMP	US\$525	US\$690

Certificants must pass their re-examination before their certification end date or by the end of the grace period to remain listed in the certified directory and continue using the AACE designation.

RECERTIFICATION BY ACTIVITY (CEU)

Overview

To maintain AACE certification, certificants must recertify every three years.

Recertification by Activity (CEUs) option allows certificants to submit continuing competency activities for consideration and approval to renew AACE certification.

Recertification by CEUs requires the accumulation of 12 CEUs over a 3-year certification period, which is earned through various activities in four separate categories.

Certificants must submit a paid application before their certification end date or by the end of the grace period to stay in the certified directory and continue using their AACE designation.

RECERTIFICATION BY ACTIVITY (CEU)

Fee Structure

THE FEES FOR RECERTIFICATION ARE BASED UPON THE CURRENT NUMBER OF CERTIFICATIONS YOU HOLD AND ARE READY TO RECERTIFY AND INCLUDES AACE'S PROFESSIONAL REVIEW AND PROCESSING.

NUMBER OF AACE CERTIFICATIONS HELD	MEMBER FEE	NON-MEMBER FEE
1ST CERTIFICATION HELD (OR JUST ONE)	US\$295	US\$385
2ND CERTIFICATION HELD: SECOND OLDEST	US\$100	US\$150
3RD CERTIFICATION HELD: THIRD OLDEST	US\$100	US\$150
4TH CERTIFICATION HELD: FOURTH OLDEST	US\$0	US\$0
5TH CERTIFICATION HELD: FIFTH OLDEST	US\$0	US\$0
6TH CERTIFICATION HELD: SIXTH OLDEST	US\$0	US\$0
MAX TOTAL	US\$495	US\$685

Certificants who hold multiple certifications are charged based on the age of their certifications. The oldest certification always holds the 1st certification fee (\$295 or \$385), and subsequent certifications are charged the next oldest fee, regardless of the order they recertify.

In accordance with the policies and procedures of the certification program, AACE certification staff does not offer preliminary reviews of any application or possible CEUs. We must trust those applying will know they can meet the eligibility requirements prior to submission.
