

AACE International Data-Sharing / Privacy Agreement

Conference & Expo Registration Data-Sharing Policy / Agreement

Introduction

The Association for the Advancement of Cost Engineering (“AACE” International) will provide contact information for all registrants for the Conference & Expo (who attended the 2019 Conference & Expo in New Orleans from June 16th through June 19th at the Sheraton New Orleans) to _____. At the close of the Conference & Expo, AACE International will finalize all registration data and submit a full list to _____ including attendee name, company, job title, e-mail, address, and phone number.

Period of Agreement

AACE International will provide a one-time attendee registration list including name, company, job title, e-mail, address, and phone number at the close of the 2019 Conference & Expo in New Orleans.

Intended use of Data

The data received from AACE International should be used as a post-conference follow up by _____. The use of this data will allow recipients the ability to opt-out from any future e-mails or contact by _____. If recipients opt-out from contact, _____ will not attempt to contact individuals beyond that point.

Restrictions

Data received from AACE International can only be used to contact via e-mail and mailings. Do not solicit individuals via phone calls and cold calling procedures. _____ may not share, publish, or disseminate data received from AACE International without approval to individuals or third-party agencies. Data will be exclusively used by _____. Personal data should remain confidential and should not be disclosed verbally or in writing to an unauthorized third party, by accident or otherwise.

I hereby certify that I have read and understand the Terms and Conditions in accordance with the Data-Sharing Privacy Agreement. I agree that I have the authority to enter into this agreement with AACE International on behalf of my company.
